Modalities and Flexible Learning Modalities for School Year 2022-2023**

---

Greetings in St. La Salle!

I am happy to share with you the Omnibus Guidelines of Academics on Home-Based Alternative Learning Modalities and Flexible Learning Modalities for School Year 2022-2023, which contains all correspondences, existing, reprints, and even the pre-existing guidelines set by the Institution, Colleges, SHSSHS, Departments, Units, and stakeholders consistent with the guidelines drafted by the international and national agencies including the Commission on Higher Education and Department of Education. This document aims to serve as an overall guide in the delivery of education (online, hybrid, and on-site) regardless of the changing alert level system-status imposed by the government. Moreover, this is intended for the use of all the members of the Lasallian Academic Community including alumni, patrons, guests, parents, guardians, and other stakeholders. Finally, this document also serves as proof of the Institution's proactive approach to teaching and learning notwithstanding the fluctuating alert level system-status implemented within the City of Dasmariñas, Cavite.

Thank you very much.

Animo La Salle!
